Subject: RE: From Assemblymember Brian Maienschein's Office - Monarch Group lease agreement

Dear Dr. McQuary:

Assemblymember Brian Maienschein has been communicating with community leaders from Miramar Ranch North and Scripps Ranch regarding the Innovations site. The Assemblymember would like to request that the San Diego Unified School District (SDUSD) consider a 60 day postponement in voting on the Monarch Group lease agreement. This would allow the community to work with members of the SDUSD and developer to review the proposed project. While on the San Diego City Council, Assemblymember Maienschein worked with both communities to relocate E.B Scripps Elementary and Marshall Middle Schools from their temporary campus locations to their now permanent sites.

The Assemblymember apologizes for not being able to contact you directly as he is currently in Sacramento.

If you have any questions or comments please feel free to contact our office.

Kind Regards,

Rob Knudsen

Assemblymember Brian Maienschein
